Navy Cash® Flash 11-004 **31 March 2010**

Subject: PROFILE CHANGES

Attention: Disbursing Officer/Supply Officer

Below are two changes to dormant Navy Cash accounts effective March 21, 2011 (see attached screenshots):

1. Transferring Individual Account Profiles to the Ship. The Disbursing Website (www.navycashcenter.com) will now allow the Disbursing Officer to move an individual's account profile from the SHORE COMMAND to his or her ship. Moving the profile to the ship will automatically un-suspend a suspended account (ACTIVE). If the account had an ACH block of 90, 91, 92, or 93, it will be unblocked to 0, 1, 2, or 3 respectively.

2. Transferring Dormant Account Profiles Off the Ship. If there has been no activity on an account for 180 days, the individual's account profile will be moved from the ship to the SHORE COMMAND (Navy) or MLG (Marines) automatically. If there is a valid bank account linked to the Navy Cash profile, any funds on the strip will be pushed to that linked account automatically. The Monthly Dormant Account Report will be discontinued.

If you have any questions, please contact the Customer Support Center at navycashcenter@ezpaymt.com or 1-866-6NavyCash (662-8922). Thank You for your support.
